

RINTIRA SUKNONGBUENG

DATA ANALYST

4 Ladprao Village, Nakniwas 42 Alley, | 091-729-9954 | rintira97@gmail.com
Ladprao District Bangkok 10230

CARRER GOAL

For my career goal, I have a passion for using data to gain insights and solve business problems. Through the Data Science Bootcamp 7, I gained skills in data management, manipulation. I am skilled in SQL, R Programming, Python, Power BI, Looker Studio and Tableau Public. I can quickly produce reports and dashboards to communicate insights to stakeholders. My goal is to continue developing my skills and expertise in data analysis and visualization to support data-driven decision-making in a fast-paced business environment.
